TRANSMITTAL OF INDUSTRIAL AREA DATA SUMMARY REPORT – JLB-033-00

Attached are 10 copies of the Industrial Area (IA) Data Summary Report. If the document meets with your approval, please forward copies to the U.S. Environmental Protection Agency (EPA) and Colorado Department of Health and Environment (CDPHE) for their reference. The EPA and CDPHE have commented on an earlier version and we are not asking for their review or approval of this document.

This report represents the starting point for data qualified to support characterization of the IA and the Comprehensive Risk Assessment. The IA Data Summary Report contains a compact disc (CD) with analytical data that has passed the IA Data Quality Filter. Maps of sampling locations are also included. To open the CD requires at least 128 megabytes of computer memory.

If you have questions, please do not hesitate to contact me at extension 5245 or Lee Norland at extension 5223.

Sincerely,

J. Lane Butler
